

Attendance monitoring system for use at the KTU university campus

Requirement Details :

SUPPLY	Quantity	Unit
Biometric attendance punching reader with Mifare module(aadhar enabled)	2	Nos
Wallmounting bracket (Metal enclosure) for reader	2	Nos
Attendance management software for 100 employees	1	Nos
8 Port switch 10/100Mbps	1	Nos
Power cabling comprising of 1 sqmm 3 core sheathed unarmoured power cable	40	Meters
Network cabling comprising of CAT6 UTP cable	80	Meters
20 mm casing and capping	50	Meters
600VA offline ups	1	Nos
Electrical accessories for power wall mountable power supply(comprising of 5A switch 5 pin socket,indicator, socket, faceplate, support frames and mounting boxes)	1	Nos
INSTALLATION		
Onsite support charges	2	Nos
Installation and testing of the system (lumpsum)	2	Nos
Commissioning Training and documentation charges	1	Lot

The EOI process

Kerala Startup Mission is approached by various Government Departments for the development of mobile and web applications. These requests are met through a facilitation devised by KSUM. Kerala Startup Mission facilitates the entire process by helping departments to finalise technical specifications, circulating the same among startups, initial technical assessment and short listing for the committee to take final decision.

Following are the steps involved:

1. Call for Expression of Interest among startups incubated/registered with KSUM
2. Submission of EOI (in the link provided by KSUM)
3. KSUM to organize interaction with the Department for clarifying doubts and queries of interested startups.
4. Technical Proposals are then obtained from startups who have submitted the interest.
5. Technical proposals are then evaluated.
6. Startups who qualify the technical evaluation are then asked to submit the financial proposal.
7. L1 among the startups is identified by the method of Quality and Cost Based Selection (QCBS) wherein 70% marks for the technical proposal and 30% for the financial proposal.
8. The L1 startup is then recommended to the Department.
9. KSUM ensures that the startup delivers the product to the Department and the Department is satisfied with the work.
10. The payment is made directly by the department to the startup after signing an Agreement.
11. The Department is also expected to do the Security auditing of the application developed by the startup through CERT-K and also to host the application in the State Data Center

Eligibility for Startup to participate in the EOI

The startup has to be registered with Kerala Startup Mission and Startup India.
