

Empanelment of Startup Agencies for KSIDC

As you are aware , Kerala State Industrial Development Corporation Ltd (KSIDC) is the premier industrial and investment promotion agency of Government of Kerala mandated with the task of promoting , financing and facilitating small , medium and large-scale business in the state .

With an attractive financial products portfolio tailor made for industries ,KSIDC has put in place an attractive financing mechanism for business in the state . KSIDC has also developed industrial land in Kannur , Kozhikode , Alappuzha and Palakkad which can be utilized for industrial purposes . The State Single Window Clearance Board ,of which KSIDC is the nodal agency , facilitates timely clearance & approvals from government departments for all projects above Rs. 15 Crores . Thus , KSIDC is the sole agency which provides the three cardinal requirements of an industry under one roof Viz : Project Finance , Industrial Infrastructure and Facilitation / Hand Holding .

Presently, as a part of the brand outreach and promotion initiatives ,KSIDC has decided to empanel startup entities in the sector of content creation and communication for the production of vibrant videos and publicity materials using latest technology and ideas . In this context , we invite startups to submit EOI in the sector of content creation and communication for the production of vibrant videos and publicity materials for KSIDC.
